<p>PLANET GEL POLISH A great entry level course into the world of nails. The perfect treatment for Natural Nails with Planet Gel Polish</p> <p>About Planet Gel Polish (Soak Off) With over 100 colours to choose from, plus all the latest trends added each season, your clients will love Planet Gel Polish. It is scratch and chip resistant, lasts up to 3 weeks, dries instantly and has a super high gloss shine that everyone loves.</p>	<ul style="list-style-type: none"> • 1 Day Course • You must have clean, product-free nails and you must bring a model to work on during the afternoon of your training • For you to qualify for your certificate, an assessment needs to be done. The assessment will consist of a multiple-choice theory paper & practical for removal & re-application. Model is required to have Planet Gel Polish applied by you, 2 weeks earlier. The assessment can be scheduled once you have completed 20 Planet Gel Polish services on models. 	<p>Training Package: \$389 Excl GST</p> <p>Includes: Training, Products, Training Manual & Certificate</p> <p>Excludes: UV or LED Light</p>
<p>PN DIP SYSTEMS A great entry level course into the world of nails. The perfect treatment providing permanent colour over both Natural Nails or Tips with PN Acrylic or Gel Dipping systems.</p> <p>Create beautiful nails in half the time with the PN Dipping Systems. It's fast, easy to apply, low-odour and easy to remove, making salon visits more comfortable and convenient for clients. Because the dip itself is a polymer powder (acrylic powder), the client enjoys strength similar to a liquid and powder (traditional acrylic) enhancement, without the same time commitment or odour. This makes it ideal for beginners.</p>	<ul style="list-style-type: none"> • 2 Day Course • You must have clean, product-free nails and you must bring a model to work on, on Day 2 of your training • For you to qualify for your certificate, an assessment needs to be done. The assessment will consist of a multiple-choice theory paper & practical of dip system application. Model is required for the practical component of the assessment. The assessment can be scheduled once you have completed a minimum 20 PN Dipping System services on models 	<p>Training Package: \$750 Excl GST</p> <p>Includes: Training, Products, Training Manual & Certificate</p> <p>Excludes: UV or LED Light</p>
<p>PN ACRYLIC For students with no knowledge of nail extensions, using PN's high-performance Acrylic.</p> <p>A modern powder and liquid system utilising the latest technology and innovative ingredients. Its inbuilt UV protector prevents yellowing and discolouration.
